

Wyeside

The very best in Arts, Entertainment and Film

Will you be a Friend of Wyeside?

Wyeside benefits from the efforts of our dedicated team of professional staff, a highly committed Board of Trustees, tremendous support from the Front of House volunteers and last, but by no means least ...

.... **the Friends of Wyeside.**

Unfortunately following recent funding cuts, Wyeside no longer receives revenue funding from the Arts Council of Wales, but it is still an organisation of great strengths and we thank Powys County Council and other funders for their continued support.

The Friends of Wyeside are people who play a key role by investing in the future of our wonderful arts centre. The Friends' subscriptions provide additional funding for special projects. In the past these have included buying our coffee machine and ice cream freezer, as well as providing very important match funding on successful grants to enable major refurbishment work to be carried out.

If you would like to become a Friend of Wyeside and support our arts centre, please fill in this form and donate from **£5 per month (£60 per year), or whatever you would like to give.**

Gift Aid declaration – Wyeside Arts Centre, registered number 505656

Wyeside is a registered charity so if you are a UK taxpayer, we can reclaim tax to increase the value of your donation at no cost to you. You must pay an amount of income tax or capital gains tax at least equal to the tax reclaimed by Wyeside Arts Centre on your donation. Wyeside will then reclaim 25p of tax on every £1 you give. If you pay income tax at the higher rate, you must include all your Gift Aid donations on your Self Assessment return if you want to receive the additional tax relief due to you. All you have to do is to sign the declaration below (donations made online with MyDonate will not require completion of this section).

Please treat all the gifts of money that I have made in the past 4 years and all future gifts of money that I make from the date of this declaration as Gift Aid Donations.
